Second Prize Delft Rose Garden in Bloom

Katie Mulliner,
Stoke-on-Trent, Staffordshire

Katie's inspiration:

The rose bushes we had in the garden of our childhood home – they were my Dad's pride and joy, but he still let us pick the petals to make 'perfume'.

Jane says:

I really love this colour way and wanted it to make the final list as soon as I saw it! We decided that the new Stylecraft Bellissima and Bambino range of DK weight yarns would work really well for this version and I really like the way the range of pink and red shades really capture Katie's idea of a Rose Garden in full bloom.
